The ***Hidden Glen Arts Festival*** announces its partnership with the **Love Fund**

Olathe, KS – August 16, 2010 – The ***Hidden Glen Arts Festival*** is proud to announce that its annual show will become one of the fundraising efforts associated with the **Love Fund** for Children.

The Love Fund for Children will be a key beneficiary of this year's show. In addition to the three Festival Scholarships awarded to up and coming artists, the Love Fund for Children will also be awarded an art grant to be given to serving children.

In a joint statement, Joyce Eacock, Director of Special Events for the Love Fund, and Jill Johnson, President of the Hidden Glen Art Festival, said: "It's a wonderful opportunity for the two organizations to join hands and leverage the synergies of our efforts to benefit the needs of our community, especially the children of the Kansas City area".

This year's Art Festival will take place **September 18 and 19** at its regular location in **Cedar Creek**, which is located one-half mile south of K-10 on Cedar Creek Parkway, just west of K-7.

The **Love Fund** for Children was established to improve the quality of life for children in need in the Greater Kansas City Area, by providing essential services. By financing some of these costs when other funding sources are not available, the Love Fund attempts to improve the quality of life for children in need. It is our purpose to increase public awareness concerning the needs and problems of children who fall between the cracks when Federal or State Funds are not available.

The ***Hidden Glen Arts Festival*** is a non-profit organization that has promoted fine art for 22 years. Known as '*Kansas City's most Scenic Arts Festival*', the event prides itself in its unique blend of *art quality, family atmosphere, and nature setting*. Proceeds from the Festival go to aspiring artists through Scholarships and Show Awards and benefit the Love Fund.
